INOX-PRO Stainless Steel Potable Expansion Vessels

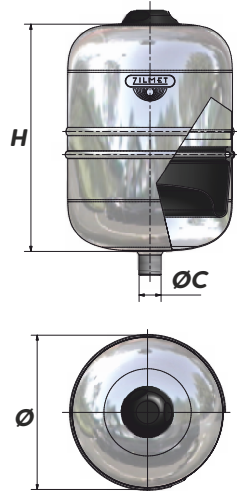

- 11B0000104 - 1L INOX-PRO Stainless Steel Potable Expansion Vessel Brushed Finish
- 11B0000205 - 2L INOX-PRO Stainless Steel Potable Expansion Vessel Brushed Finish
- 11B0000100 - 1L INOX-PRO Stainless Steel Potable Expansion Vessel Polished Finish
- 11B0000200 - 2L INOX-PRO Stainless Steel Potable Expansion Vessel Polished Finish
- 11B0000800 - 8L INOX-PRO Stainless Steel Potable Expansion Vessel Polished Finish
- 11B0001200 - 12L INOX-PRO Stainless Steel Potable Expansion Vessel Polished Finish
- 11B0001800 - 18L INOX-PRO Stainless Steel Potable Expansion Vessel Polished Finish

Technical Specification

Operating Temperatures:	-10°C - 99°C
Max Working Pressure:	10 Bar
Pre Charge Pressure (0.5L - 2L):	3.5 Bar
Pre Charge Pressure (5L - 18L):	2.5 Bar
Shell:	304 Grade Stainless Steel
Connection:	Stainless Steel
Membrane:	Butyl

Dimensions

Code	Capacity (Litres)	Diameter Ø(mm)	Height H(mm)	Connection ØC(BSP)
11B0000104	1	116	155	½" G Inox
11B0000205	2	140	196	½" G Inox
11B0000100	1	116	155	½" G Inox
11B0000201	2	140	196	½" G Inox
11B0000800	8	198	275	¾" G Inox
11B0001200	12	270	270	¾" G Inox
11B0001800	18	270	349	1" G Inox

Additional Information

Brackets available, code: WVMB

Suitable for alimentary purposes

5 years warranty

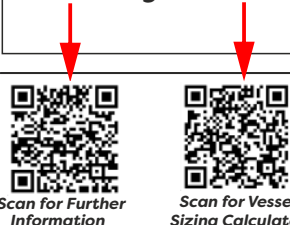

100% factory tested

Suitable for multiple plumbing systems

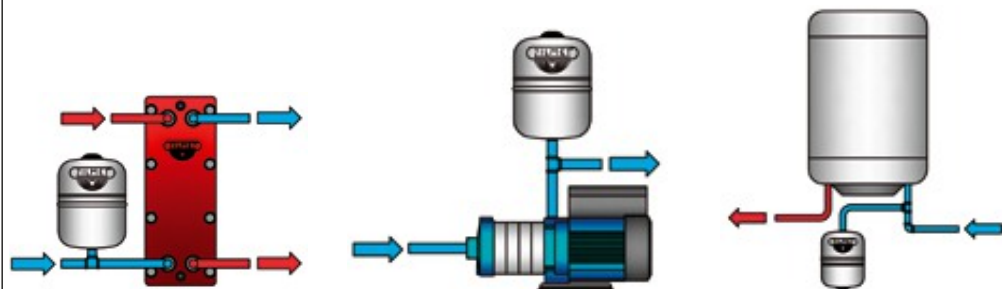

Ideal for installations where hygiene is at a premium

Fully certified according to the pressure equipment directive 2014/68/EU
